TRANQUILITY **SPAS**

Why Tranquility Spas?

With a wide selection of models to choose from, our hot tubs offer something for everyone. All Tranquility Spas are manufactured with only premium quality materials to boast an extensive range of high-end features, making us your luxury spa choice.

Hydrotherapy massage jets help relieve pain and tension associated with everyday life and our beautiful lighting can set the mood while you soak. Create a wonderous spa experience!

Monticello

Handcrafted Durability

At Tranquility Spas, we are committed to superior craftsmanship and luxury at an affordable price. We use the latest innovations to maximize your hot tub experience and minimize your maintenance needs. Choose from 7 acrylic models that are made from strong and durable Lucite® acrylic. Lucite® is extremely hard wearing and is resistant to the damaging effects of UV rays.

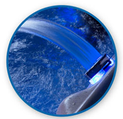
Our spas are hassle-free, easy to operate and definitely luxurious. All cabinets are created from high-impact weatherable polymer and will keep their look, even outdoors! They are easily cleaned with a cloth and garden hose and have virtually no fading or color change. No machine can match the quality of tools and craftsmanship of our models!

Whether you're looking for entertainment or quiet solitude, Tranquility Spas has a hot tub for you!

MODEL **HIGHLIGHTS**

Factory Installed Ozonator
Helps Reduce Chemical Use

The ozonator acts as an oxidizer which destroys organics that bacteria feed on in the water. The ozonator can help reduce the amount of chemical you use.



LED Illuminated Waterfall*
Enjoy The Array of Colors

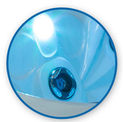
Watch the array of colors transition throughout the water and experience multi-colored lights

**Not available for Vineyard, Nags Head and Kitty Hawk.*

Deluxe Chromatherapy System*
Added Health Benefits

Cycle through the color spectrum and every day stresses melt away.

**Not available for Vineyard.*



Interior LED Light
Relaxing Atmosphere

Add an enhancing glow to your spa water with LED interior lights.

Tapered Thermal Cover
5" x 3" Cover Seals Snuggly To Your Spa

The high efficiency EPS foam interior is covered with 100% polyester that is 3X stronger than traditionally used vinyl and reduces the cover weight by 25% for easier opening and closing.

Interior Perimeter LED Lighting*
Stunning Visual Effects

Enjoy your favorite mix of color! The luminescent LED perimeter light effects create a dramatic effect.

**Not available for Vineyard.*

Exterior Safety/Ambiance Light*
Beauty and Safety

Set a mood while adding safety. Exterior lights are beautiful and safe while visiting the spa at night.

**Not available for Vineyard, Nags Head, Kitty Hawk and Madison models.*

Interior and Exterior Lighting
Only for Nags Head and Kitty Hawk

Safety sconces on the panel and lit water fountains turn your spa into something wondrous.

STRUCTURE

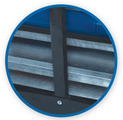
Mt. Washington
Sterling Marble, Coffee

Galvanized Steel Frame

With a precisely fitted, industrial strength galvanized steel frame, your new Tranquility spa ensures a lifetime of durability and structural integrity.

GreenGuard ROCKWOOL® Insulation

Proprietary insulation technology combines the insulating properties of air chambers with our unique bagged ROCKWOOL® insulating panels layered all around the interior of the spa.



Polyethylene Base

The base of the spa is covered with an insulated polyethylene bottom tray to protect the inside of the spa from the elements and the cold ground.

Polysteel Cabinetry

Polysteel is a durable and maintenance-free blow-molded cabinet made from high density polyethylene. Affordable and aesthetically pleasing cabinetry.

Lucite® Acrylic Shell

Lucite® cast acrylic sheet is specially formulated for superior thermoforming and chemical and stain resistance properties. Resistant to everyday wear, UV rays and harsh weather.
